

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

UNITED STATES OF AMERICA,

Plaintiff,

No. CR 14-00306 WHA

v.

LUKE BRUGNARA,

Defendant.

**ORDER RE LETTER FROM
ROBERT KANE**

Defendant Luke Brugnara has made another motion requesting transfer to home confinement. The request was evidently written by Brugnara, himself, after he and his appointed counsel parted ways. The request, however, came under the letterhead of Robert Kane. Construing the request as a motion for reconsideration of past orders denying transfer to home confinement (Dkt. Nos. 916, 918), the motion is **DENIED**. As stated in previous orders addressing the same issues, defendant has failed to provide evidence or documents demonstrating compelling circumstances to warrant his transfer to home confinement.

Additionally, Mr. Kane is not appointed counsel, and should have no role in this case unless he is prepared to make a formal appearance.

IT IS SO ORDERED.

Dated: September 21, 2020.
